## ☰ Additional Features

Your coverage comes with some added features:

### Help with Returning to Work

This plan provides incentives to help you get back to work. For instance, you'll get help paying for some of the expenses associated with participating in an approved rehabilitation plan.

If a worksite modification would enable you to return to work, the coverage can help your employer make approved modifications.

You may also be eligible to receive an additional benefit of 10 percent of your predisability earnings for participating in an approved rehabilitation plan, subject to the plan maximum.

### Survivors Benefit

If you die while receiving benefits, your survivor may be eligible to receive a one-time additional payment.

### Support When You Need It

You'll have access to an Employee Assistance Program, a valuable confidential counseling resource if you're experiencing personal or work-related issues. This service is provided through an arrangement with a service provider who is not affiliated with The Standard.

## 🇺🇸 How Much Your Coverage Costs

Your base policy is paid for by Clark Atlanta University, Inc. and costs you nothing. If you choose to purchase buy-up coverage, you'll have access to competitive group rates that may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on your benefit amount.

**Use this formula to calculate your premium payment for your buy-up coverage:**

**As you consider whether to apply for buy-up Long Term Disability insurance, evaluate what makes sense for you.**

Getting by without a paycheck isn't easy, especially for an extended period of time. Make sure you have enough financial protection to help you with housing costs, utilities and other bills.

Your employer provides you with a basic level of disability insurance. Will that be enough for you? If not, you have the option to enroll in an enhanced level of disability insurance.
